THE PROJECT

The "Green Hands Burgos" project arrives to its 4th edition, hosting two volunteers in Ábrego Association and two volunteers in Huerteco Association. The main objective of "Green Hands Burgos" is to **promote environmental education as well as to encourage rural development, through the activities that will be developed in the different organisations and through the activities focused on sustainable development and environmental protection issues**. Furthermore, the project will represent an opportunity for intercultural learning for the volunteers and entities involved, who will participate in the project to promote cooperation and solidarity, responding, as it did in the first edition of the project, to the programmatic strategy of the European Solidarity Corps, designed precisely to promote cohesion, solidarity, democracy and the active participation of young Europeans.

Huerteco is an association focused on environmental education and food sovereignty as its reason for existence.

The association believes in the importance of a sustainable lifestyle, trying to provide this vision at all times and through the implementation of its activities.

MAIN ACTIVITIES

Volunteers will participate in all the activities of the organisation and will always be guided and supported by the members of the association.

The **main activities** in which the volunteers will be involved are the following:

- assistance in the design and planning of activities on horticultural therapy, which are developed with people with autism and people with brain damage;
- assistance in the preparation and development of teaching laboratories aimed at primary school students;
- planning and implementation of educational workshops proposed by the volunteers themselves;
- assistance in the care and maintenance activities of the organic garden and corral;
- assistance and support in the activities of school gardens and outreach workshops;
- dissemination of the activities of the association (use of social networks, writing articles, creating posters for local events and promotional activities, etc.).

VOLUNTEERS PROFILE

- Available for the whole duration of the project;
- 18-30 years old;
- Resident in EU member countries or Ukraine;
- With at least a basic knowledge of Spanish; ;
- A driving license is welcome but not necessary;
- Motivation to participate in the project and specific activities;
- Interest in the activities planned within the host organisation;
- Flexibility, patience, open-mindedness, team-work;
- Interest and willingness to face the intercultural experience proposed by the project and its challenges.

ACCOMMODATION AND FINANCIAL SUPPORT

The volunteers will live in a **shared flat in the center of Burgos**.

In the flat will live the volunteers from Huerteco Association and two volunteers from another project always coordinated by Asociación Brújula Intercultural. The flat is composed of a kitchen, toilette, living room and 3 rooms. Volunteers will have double or single room and normally they rotate between them during the year.

All maintenance costs of the house are covered by Brújula Intercultural (project coordinator).

The coordinator will also provide an amount (established from the ESC program) for the maintenance and pocket money (5 euros per day) that will be provided monthly. The travel expenses will be refunded on the basis defined by the European Commission.
