

# Looking for a Social Media Wizard to Charm our Socials

**Bucharest, România**

**up to 9 months volunteering**

# About us

---

## Description

---

Our story began over 30 years ago, inspired by Olivia Harrison, who rallied global support for children in Romanian orphanages. For 33 years, we've empowered children, youth, and adults to live independently despite social or medical challenges.

Our foundation rests on three pillars: **education**, **health**, and **social activities**, both in the community and for youth. RAA has grown alongside democratic Romania.

From strengthening the health system in the 1990s to training thousands of professionals in the 2000s, we've reached 2024 with strong projects and partnerships across Europe.

---

In the last years our projects resulted in a youth centre in Bucharest, where we engage in non-formal learning activities, organize youth exchanges and host networking events.

RAA Youth Team is dedicated to helping young people shape and realize their dreams while learning and travelling.

We are looking for a volunteer in Bucharest to join the communication team.

---

---

# Welcome to România

---

---

## Accommodation, food and transport arrangements

---

Volunteers will be accommodated in a **2 - room apartment** (2 volunteers/apartment) located in an area easily accessible by public transport.

During their stay volunteers will receive **300 euro/month for food** and **120 euro/month pocket money**, if needed, a RAA employee will join them for weekly shopping for food and consumables.

Transportation from the hometown to Bucharest and back at the end of the volunteering placement will be **paid by RAA**, local public transportation is also provided by RAA.

---

## Training during the activity

---

The volunteers will receive **specialised training** from the RAA communication team to enhance their professional skills in the field of communication.

Each volunteer will be assigned a **mentor** who will provide support throughout their stay in Romania; the mentor will facilitate cultural integration and help them get to know the city.

Additionally, the volunteers will have a **volunteer coordinator from RAA** who will assist them in integrating into the team and support them in completing their tasks.

# Participant profile

---

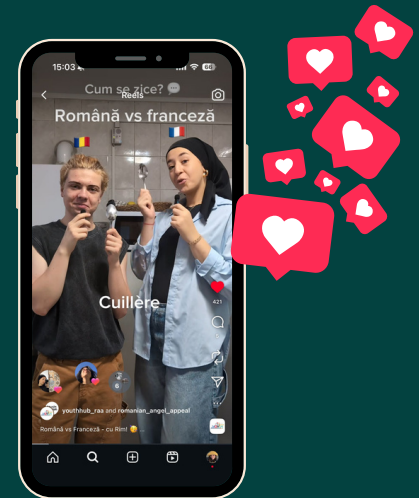

## Participant profile

We are looking for someone who is passionate about social media, stays updated with trends, possesses strong video editing skills and has the talent for creating engaging and inclusive content on platforms like Instagram is essential.

The ideal candidate should bring energy and have a natural curiosity about social media and communications.

As RAA is a diverse organization, with a dynamic young team the communication team is engaging constantly with both local and international youth through the Erasmus+ program and participates in various activities and events to make sure they provide real - time media coverage.

As social media is changing so fast, we need more angles to expand our online presence and reach more young people digitally. We are looking for a TikTok magician and Instagram Reels (and Stories) wizard.

As our team is enthusiastic and has lots of fun, we are looking for someone willing to be a team player and contribute to the teamwork while having fun and enjoying learning and volunteering.

Our communication team will support and guide the volunteer every step of the way.

---

## Part of your task will include:

---

-  Attend non-formal education activities and events at the youth centre to create content (photos/videos, etc.)
-  Produce short videos for TikTok and Instagram Reels;
-  Edit and colour - correct photos (training will be provided)
-  Participate in regular training sessions conducted by the RAA communication team to enhance skills
-  Prepare a weekly report on activities and learning progress
-  Manage the community on Instagram and TikTok (respond to comments, share links, and maintain active engagement)
-  Research trends and collaborate with the communication team to develop an editorial calendar for posts
