Curba de Cultura

Who are we?

An NGO working with and for young people in rural areas of Romania

We are running 3 (fully private) Youth Centers in the rural communities of Prahova County, Romania, among them the FIRST mobile youth center in Romania.

Besides activities in the 3 youth centres we organize camps, youth exchnages, training courses and events, but also a big summer festival - Ruralympics and an International Conference.

We take our work very seriously, yet we do it in a relaxed, witty and humorous spirit. A youthful spirit
