

Jeugd zorg Emmaüs Antwerp is looking for volunteers

Are you at least 20 years old? – Do you enjoy working with young people between the ages of 12 and 25, and their families? – Do you possess social and interpersonal skills? – Are you creative, flexible, enthusiastic, engaging, empathic, open to new ideas, curious and eager to learn and grow? If so, we have an opportunity for you!

You can start volunteering with us in 2026 and stay for one year. Your volunteering will take place at our location 'Juno' in SCHOTEN (a town near Antwerp). At this location, we assist families from the child welfare system and unaccompanied minor refugees, in becoming more independent.

We provide

- A studio 20km from Antwerp city (Schoten). The studio is located at one of our residential sites where young people live.
 - Transport by public transport or a bicycle provided by our organisation.
 - A monthly food budget of €300.
 - Pocket money according to ESC regulations.
 - On-arrival and midterm training provided by the National Agency.
 - Dutch language lessons.
 - A professional and well-established organisation with a broad range of youth care services.
 - A committed and supportive team where you are never left on your own.
 - Plenty of space for dialogue, initiative, and collaboration — because we believe we achieve more together.
 - A dynamic organisation that continuously evolves and looks ahead.
 - Opportunities for personal growth within a meaningful and socially engaged environment.
-

Your tasks

- Encouraging and supporting youngsters in their daily activities (Helping them get out of bed, ensuring they attend school or other necessary places, engaging them in after-school activities, ...).
- Be present and serve as a positive role model for the youngsters.
- If you have a driver's licence, you may also be responsible for transporting clients to appointments.
- You'll also have the opportunity to develop your own projects at the location, as long as they pertain to themes important in the development of young people. For example, this year, a

group participates in the 'Antwerp ten miles' running-event. The project involves both training and organizing workshops on healthy nutrition, wellness, acceptable thrills, ...

We are looking for a volunteer who:

- Is at least 20 years old.
- Is willing to commit for one year.
- Is open to learning and eager to gain experience in working with young people.
- Has a personal passion or hobby (sports, music, arts, crafts, cooking, nature, technical skills, etc.) that they are willing to share with young people.
- Is respectful, patient, and genuinely interested in young people and their development.
- Is flexible and able to adapt to a changing schedule (including day, evening, and occasional weekend activities).
- Is willing to learn Dutch and open to finding ways to communicate in a shared language with young people and colleagues.
- Stays calm and attentive in challenging situations.
- Is self-aware and willing to reflect on their own actions and personal growth.
- Supports young people in developing their strengths and talents.
- Shows commitment and respect towards everyone involved in the young person's life.

You do not need previous professional experience — motivation, openness, and a willingness to grow are most important.
