

ComelIncola (8)

**ESC 3-6 months project at Red Incola,
Valladolid (Spain)**

Are you ready to get involved?

Red Incola is an NGO that focuses on helping refugees, migrants and people in need. We represent and defend the right to a dignified life through various projects in Valladolid, Spain. In the framework of the European Solidarity Corps we are looking for **1 young motivated persons, between 18 - 30 years**, who would like to get involved for one year while having the opportunity to get to know the Spanish culture.

Estimated dates
From September or October 2026
3 months with posible extension
of 3 more

Activities

Depending on the profile of the volunteers and on the needs of the organization, the participant will support in one or other tasks. These are some examples of tasks in which the European Volunteer can help:

- Support in the "Employment and Training Area" , helping migrants to do their cv, update and upload their profile to the net, search for employment opportunities, teach them in IT basic needs,
- Support in the intercultural "Calor y Café" (organizing workshops and cultural visits, teaching English,...)
- Support in the awareness area (collaborating in schools projects, creating flyers,...)
- Support and collaborate in the working of the Youth Incola group
- Help in the scholar support programme, with children and teenagers
- Support in the "Welcome area" (reception)
- Participate in the "homeless project" Café Solidario

The work provided by the volunteer does under no circumstance
Involve job substitution.
