

WELCOME

Husmandsstedet is an activity and recreation center located in a renovated farmhouse in the heart of Sdr. Nærå, Aarslev. The center is a vibrant, informal meeting place where children and young people (10+) come to explore interests, hobbies, and creative activities in a safe and welcoming environment.

Every afternoon, the house is filled with energy from 40–60 young people, and more than 150 children and teenagers use Husmandsstedet on a regular basis. The atmosphere is open, playful, and supportive — a place where everyone is welcome.

Parents are encouraged to stay in close contact with the center, and all activities are supervised by at least two adults to ensure well-being and safety.
